INFORMATION TEXT ON THE PROCESSING OF PERSONAL DATA

This clarification text regarding the protection of personal data as the data controller in terms of protecting the personal data of its customers, business partners, and other third parties with whom it has a relationship as HIZLI Information Technologies Inc., the data controller ("Information Text"), Law on the Protection of Personal Data No. 6698 (KVKK) is brought to your attention to inform you by the Law.

Our aim with this informative text is to inform you most accurately about the purposes of processing your personal data, legal reasons, and your rights.

Your personal data refers to data and information that identifies you, such as your name, surname, address, contact numbers, identification number, billing information, answers to questions asked by our customer representatives, transactions you request, Access, and transmission information that you have declared so that you can benefit from our service agreements.

Special categories of personal data mean data on race, ethnic origin, political opinion, philosophical belief, religion, sect or other beliefs, disguise and dress, membership in associations, foundations or unions, health, sexual life, criminal convictions, and security measures, and biometric and genetic data.

HIZLI Information Technologies Inc. takes the highest level of security measures possible to ensure that your personal data is collected, stored, shared, and confidential by the Law.

Processing of Personal Data and Purpose of Processing

Your personal data can be collected by recording your statements and the information requested by our customer representatives for your user security, in case you benefit from the call center services while you create a user registration fully or partially automatically, and by transmitting data and documents such as documented domain names and identity samples requested in other services.

As a rule, our company does not request or process sensitive data from its users. However, the information and data required for registration due to the policies of third parties and organizations may be recorded, limited to this, in case of providing special quality personal data. For instance; If the "religion" section is included in your sample of identity requested for some products and your religious belief is included, even if the purpose is not to record your sensitive data, it may be within the scope of sensitive data as of the document it is found in.

Your personal data may be shared with persons, institutions, organizations, and other third parties, as required by the provisions of the legislation, directly or indirectly, with our domestic and foreign subsidiaries, with legal units, financial advisors, consultants, and organizations that we work with and cooperate with, such as our call center, to carry out our company activities.

HIZLI Information Technologies Inc. will collect personal data only for precise, clear, and legal purposes and can store personal data for the period required for the purposes of the processing, and the reasons that require processing will not be processed in a way that is incompatible with the purposes for which they were collected within the framework of the KVKK and this Clarification Text. In the event of a legal obligation, it will delete or destroy it or make it anonymous, ex officio, or upon the request of the person concerned.

Purpose of Processing Personal Data;

- Fulfilling the requirements of the contracts we signed with you within the scope of the contractual relationship,
- *Recording your information such as your profession, purpose of working with our company, especially identification and address determination, to fulfill our obligations to know our customers by the legislation we are subject to,*
- Recording notifications such as complaints, objections, requests, suggestions, and satisfaction in our notification management system to serve you better,
- Arranging all records and documents that will be the basis for the transaction to be carried out electronically (through all other service units and channels such as the call center) or in paper form,
- To be used in products and services that we mediate within the scope of KVKK and related legislation and that we can offer as business partners,
- Planning and execution of business activities and operational processes,
- Execution and execution of customer relations,
- Ensuring that your data is kept accurate and up-to-date,
- Ensuring customer satisfaction and carrying out corporate communication activities,

- Planning and execution of promotional and advertising activities aimed at increasing volume,
- Planning and realizing sales and marketing activities specific to you,
- Execution of the investigation file, lawsuit, and enforcement proceedings to which our company is a party, obtaining legal consultancy,
- *Planning, auditing, and implementing corporate sustainability, corporate governance, strategic planning, and information security processes,*
- Recording of camera images in our Company and dealers due to workplace safety practices and within the scope of our obligations arising from the Law.

Transfer of Personal Data and Purpose of Transfer

Your personal data is located in the country by Article 8 of the Law, in order to realize the Purposes of Processing Personal Data in this Clarification Text and in addition to the data processing purposes; It can be transferred to business partners, public institutions, and organizations, the Ministry of Finance, the Revenue Administration and, upon request, to other official and administrative authorities authorized by law to request customer information from our company, within the framework of the personal data processing conditions and purposes specified in the Law No. 6698.

Collection of Personal Data and Legal Reason

Your personal data is located in the country by Article 8 of the Law, in order to realize the Purposes of Processing Personal Data in this Clarification Text and in addition to the data processing purposes; It can be transferred to business partners, public institutions, and organizations, the Ministry of Finance, the Revenue Administration and, upon request, to other official and administrative authorities authorized by law to request customer information from our company, within the framework of the personal data processing conditions and purposes specified in the Law No. 6698.

Collection of Personal Data and Legal Reason

Your personal data is collected automatically or by non-automatic means being a part of an automatic and data recording system through companies that carry out their activities as business partners, customer interviews, written/digital applications made to websites, written/digital applications made to sales teams, institutions providing call center services and channels that our company communicates with or may contact you in the future.

Your personal data, which is not included in the scope of special categories of personal data, is specified in Article 5 of the Law.

"explicitly stipulated in the law", "provided that it is directly related to the establishment or performance of a contract, it is necessary to process the personal data of the parties to the contract", "it is necessary for the data controller to fulfill its legal obligation", "data for the establishment, use or protection of a right" the legal grounds of "obligatory processing for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the data subject"; In cases that cannot be based on these legal reasons, for the legal reason "explicit consent of the relevant person" specified in Article 5 of the Law; In cases where it cannot be based on a legal reason that is clearly stipulated in the law, your health data is processed on the basis of the legal reason "explicit consent of the relevant person" specified in Article 6 of the Law, and the legal reason "explicit consent of the relevant person" specified in Article 6 of the Law.

Rights of the Person whose Personal Data is Processed

Article 20 of the Constitution states that everyone has the right to be informed about the personal data related to him/her, and as per Article 11 of the KVKK, the right to "request information" is among the rights of the Personal Data owner. In this context, our company provides the necessary information in case the personal data owner requests information and informs the data owner about how the right to request information is exercised and how the issues related to the information request will be evaluated with this Clarification Text.

Personal data owners have the following rights by KVKK:

- Learning whether personal data is processed or not,
- If personal data has been processed, requesting information about it,
- To learn the purpose of processing personal data and whether they are used for their purpose,
- Knowing the third parties to whom personal data is transferred in the country,
- Requesting correction of personal data in case of incomplete or incorrect processing,
- Requesting the deletion/destruction of personal data within the framework of the conditions stipulated in Article 7 of the KVKK and notification of third parties to whom personal data has been transferred within this scope,
- Objecting to the emergence of a result against them by analyzing the processed data exclusively through automated systems,
- They have the right to demand the removal of their personal data in case they suffer damage due to the processing of their personal data in violation of the KVKK.

Application of the Data Owner

You can submit your requests regarding your above-mentioned rights in writing at <https://www.hizliteknoloji.com.tr/HomeEN/Index> or the address below. We would like to state that we reserve the right to demand the expenses incurred by our Company to fulfill your requests, by the tariff specified in Article 13 of the Law, titled Application to the Data Controller.
